

Every year, we invite local businesses to sponsor our teams. After thinking of businesses in the community that we want to be affiliated with, we naturally thought of your company because of the local support that you continually give to your community.

Sponsoring our team is not only a great way to get involved with the community; it's also an amazing form of marketing for your business. Our teams have 77 players, and we will play against 420 teams this year. That means your business will have branding in front of thousands of people and generate a minimum of 2500 impressions in the surrounding area thru social media and growing rapidly. With that type of exposure, everyone will remember that your company supported us.

This year, we are asking for you to choose your sponsorship level. We will have four, one year options:

All-Star \$250.00-----Hall of Fame \$500.00-----Legend \$1,000.00-----Greatest of all time (GOAT) \$2,000.00

These are some of the things that you will receive in return for your financial support based upon the level that you choose.

- Your logo on our website
- An invitation to attend all of our games
- Email blasts to our families thanking you for your sponsorship
- Social media posts monthly about your business
- A picture of our teams to hang in your office
- A handwritten thank you card by our players at the end of the season

Unfortunately, baseball is expensive and not all of the families on our team can afford the cost. We ask for sponsorship to help subsidize the cost of new equipment/apparel, scholarships for players who can't afford to play, and travel expenses. We understand that you have several choices when considering different marketing and community outreach opportunities, but we truly believe that this is a great fit. If you want something a little more customized in return for your sponsorship, we are very open to your ideas.

I know that your company does a great job of improving the community, and we thank you for your continued support. You are making our community a better place to live.
